

## When you love shopping centers, it shows.

They're more than exceptional shopping centers. They're our babies — and we take great care of them. Take our newest ground-up development, The Marketplace on Grove. Ideally located in fast-growing Ontario just south of Ontario Airport, The Marketplace on Grove offers incredible visibility from the 60 Freeway and the Grove Avenue Freeway off-ramp — seen by 266,685 cars every day. With over 207,000 square feet of retail space anchored by Lowe's Home Improvement Center, including popular restaurants and retailers — plus 250 new apartments — The Marketplace on Grove draws from the area's growing residential population and great daytime population. You'd be proud of it, too. To learn more about The Marketplace on Grove, call 818-710-6100 today.
