

When you Love Shopping Centers, it Shows

Dedicated to Our Communities, Our Tenants and Our Customers

Dear Tenant,

This has been quite a week of changes – states and counties are beginning to reopen and over 100 vaccines are in clinical trials, one with very promising results. While we discover our “new normal” we decided to reach out to our customers and communities to ask them what they are looking forward to. We surveyed over 115,000 community members and shoppers asking what they are looking forward to when the safer/stay at home orders are lifted.

The results were encouraging and we thought it important to share the responses with you, our tenant.

Getting back out there!

115,000

community members and shoppers surveyed

What are they most looking forward to?

Dinner out with friends

Getting a **Haircut**

Going to a **Movie**

6.4

Likelihood that respondents would **dine indoors** at a restaurant with 10 being extremely likely

We are all in this together, please reach out with any questions you may have.

Sincerely,
