Dedicated to Our Communities, Our Tenants and Our Customers

Dear Tenant,

The second round of the Paycheck Protection Program is open now and over \$135 billion of the \$310 billion set aside to support small businesses is still available for businesses like you. That means there is still money available right now for you to take advantage of to support your business and employees.

If you tried to secure a loan from your bank unsuccessfully thus far or aren't sure which lender to turn to, **Kurt Gregg with A10 Capital** may be able to help you. NewMark Merrill Companies is not affiliated with A10 Capital, but we have referred several of our tenants to Kurt and his team at A10 who have successfully funded loans for small businesses.

If you are interested or need help with your PPP loan processing, please reach out directly to Kurt Gregg at kgregg@A10Capital.com. They are not accepting applications directly through their main website, so please let him know that Sandy Sigal from NewMark Merrill Companies referred you so they will work with you on next steps.

Kurt also sent over this link to help anyone interested in applying:

A10 can't guarantee your loan will be processed, but they have helped many of our tenants successfully secure financing already and hopefully they can help you as well before money runs out.

Sincerely,

Sanford D. Sigal
President and Chief Executive Officer
