Our Tenants and Our Customers

Dear Merchant,

Writing this email to you brings me much joy and hope that we have finally turned the corner in what has been a trying time for us all in so many different ways. As most of you may know, yesterday California Governor Gavin Newsom announced that ICU capacities throughout the state were finally lessening. He lifted the stay-at-home order and moved the State back into the colored tiered system.

This puts almost every county, except 4 are in the purple tier or WIDESPREAD category. Business can begin modified operations. Simply put, this allows restaurants to open outdoor dining service, hair and nail salons as well as personal care can operate indoors at a limited capacity.

Please visit <https://covid19.ca.gov/safer-economy/#county-status> to verify permitted operations in your county.

Also, as a brief reminder, banks are accepting Paycheck Protection Plan applications for both first and second time recipients. The qualification and forgiveness parameters are different than the first round of funding. I encourage you to visit <https://www.sba.gov/funding-programs/loans/coronavirus-relief-options/paycheck-protection-program> to fully understand the program that was designed to help small businesses. If you have any questions, please reach out to me or your property manager.

Sincerely,

A handwritten signature in black ink, appearing to read 'Sandy Sigal'.
