Travel: Travel should follow IDPH and CDC approved guidance

Health care: All health care providers are open

Education and childcare: P-12 schools, higher education, all summer programs, and childcare open with IDPH approved safety guidance

Outdoor recreation: All outdoor recreation allowed

Businesses:

- **“Non-essential” businesses:** All employees return to work with IDPH approved safety guidance; Employers are encouraged to provide accommodations for COVID-19-vulnerable employees
- **Bars and restaurants:** Open with capacity limits and IDPH approved safety guidance
- **Personal care services and health clubs:** All barbershops, salons, spas and health and fitness clubs open with capacity limits and IDPH approved safety guidance
- **Entertainment:** Cinema and theaters open with capacity limits and IDPH approved safety guidance

To prepare businesses and employers to implement new and updated safety guidelines in Phase 4, the State of Illinois has developed this business toolkit complete with signage, posters, and other resources to ensure business and activities are conducted in

accordance with the latest public health recommendations. Visit the [DCEO COVID-19 Phase 4 Page](#) for further business specific details.

Please note Cook County has some more restrictive guidelines in place than other areas. For more information on your particular area, please visit the [State of Illinois's Coronavirus \(COVID-19\) Response page](#). For more information by county, please visit the [Regional Phase Dashboard](#).

We are encouraged to see progress being made for our businesses to reopen back to normal and we appreciate everything you are doing to keep our shopping center, community and customers safe.

Stay safe, keeping wearing your mask and stay socially distant. Please do not hesitate to reach out to us if you have any questions or if there is anything we can do to help.

Sincerely,
